What Is MAPS?

Who Are Ombudsman Services & What Do They Do?

The Mobility & Accessibility Consumer Protection Scheme (MAPS) is a Consumer Protection organisation covering the supply or installation of mobility and accessibility equipment. We ensure that consumers are dealt with professionally, courteously and sympathetically. Any products supplied or installed by MAPS Members must be fit for purpose, installed professionally and come with comprehensive guarantees which are covered by MAPS approved specialist insurance providing consumers with a high level of protection and peace of mind.

MAPS also believes that consumers should have **FREE** access to robust dispute resolution and therefore provides consumers with **FREE** Mediation, **FREE** Independent Inspections to assist with installation or product malfunctions (at MAPS discretion) and **FREE** access to an independent Ombudsman to help resolve any issues that may arise.

To that end, the MAPS Scheme Rules & Code of Practice is a stringent set of rules that members must adhere to at all times in their dealings with consumers.

The Scheme’s ambassador is Nick Ross (former BBC Watchdog & Crimewatch presenter).

Lewis Shand Smith, Chief Ombudsman

MAPS has appointed Ombudsman Services to investigate and resolve any disputes between MAPS members and their customers that may not have been resolved at an earlier stage.

Ombudsman Services are the UK’s leading independent multisector ombudsman and are approved by the appropriate regulatory bodies to provide redress schemes. Ombudsman Services provide independent dispute resolution and run national, private sector ombudsman schemes including the communications, energy, property, copyright licensing sectors and the Green Deal. Ombudsman Services currently employ more than 500 people at its Head Office based in Warrington.

Ombudsman Services:

- Provide an independent, impartial and completely free service to consumers to help resolve disputes between MAPS members and consumers who are interacting with them.
- Can make financial awards for loss, distress, inconvenience or breach of contract (the maximum amount of compensation that can be awarded is £100,000) which MAPS will enforce.
- Are independent of members & consumers and will make a decision believed to be just and fair in the circumstances.
- Resolve disputes without the need to go to court and the service is entirely free of charge to consumers.
